CSD	Community Services District
DAC	Disadvantaged Community
DWR	California Department of Water Resources
IRWM	Integrated Regional Water Management
RWMG	Regional Water Management Group

Chapter 1. CONSENT FORM

1.1 CONSENT FORM

Since this proposal utilizes the eligibility criterion for IRWM Plans adopted prior to September 30, 2008, the San Luis Obispo County IRWM Region must submit the Consent Form¹ (Exhibit A) provided in DWR’s Proposal Solicitation Package. The County Board of Supervisors acts on behalf of the San Luis Obispo County Flood Control and Water Conservation District (District/Applicant), who is the Lead Agency of the Regional Water Management Group (RWMG) meeting on November 27, 2012, the RWMG supported the District as the Lead Agency moving forward with developing and submitting the Region’s Round 2 Implementation Grant Proposal.

The District Board of Supervisors adopted Resolution No. 2012-335² (Exhibit B) designating the Director of Public Works as the Authorized representative to both file an Integrated Regional Water Management Program Implementation Grant Application and execute the associated grant agreement with the California Department of Water Resources (DWR).

Therefore the Director of Public Works is executing the Consent Form on behalf of the Regional Water Management Group (see Table 1-1). The form acknowledges the requirements, if awarded grant funding under this Round 2 Solicitation, listed under Section II.B.

*If the IRWM Plan was **adopted before September 30, 2008**: the Regional Water Management Group (RWMG) must enter into a binding agreement with DWR to update, within two years of the execution date of the agreement, the IRWM Plan to meet the IRWM Plan standards contained in the 2012 Guidelines; and the RWMG must undertake all reasonable and feasible efforts to take into account water-related needs of disadvantaged communities (DACs) in the area within the IRWM region. [DWR Project Solicitation Package Section II.B]*

1.2 REGIONAL WATER MANAGEMENT GROUP

All seven Project Proponents and the Applicant are RWMG member agencies. Each Project Proponent has provided a letter³ to DWR stating their intent to adopt the IRWM Plan⁴ once

updated (anticipated adoption June 30, 2014) (Exhibit C). The County Board of Supervisors acts on behalf of the District (Applicant) as well, who is also a member of the RWMG. The County's letter of intent to adopt the IRWM Plan also speaks to the District's commitment to adopt the IRWM Plan once updated. Regional Water Management Group is currently updating the IRWM Plan to meet DWR's 2012 Proposition 84/1E IRWM Guidelines; however, the IRWM Plan Update will not be complete before the Round 2 application due date (March 29, 2013). Per DWR's clarification made on March 8, 2013 (Prop 84 Round 2 Implementation Grant Solicitation Frequently Asked Questions - #9), all Project Proponents have provided a letter to DWR stating their intent to adopt the IRWM Plan once updated (anticipated adoption June 30, 2014).
